## **ABOUT US**

The special Academic Institution, Suddhananda Vidyalaya functioning under Samvit Sagar Trust located at Nachhipur in district of Cuttack was established by Pujya Swami Suddhananda Ji in the year 2002 with the strength of 9 students. Our institution has been steadily expanding over the years and the present strength of the school has grown up to 470 having classes from LKG to STD-X. The school had already got the N.O.C. from the Government of Odisha upto Std. X, and now the school is affiliated to C.B.S.E. New Delhi up to class X.

A team of 21 well qualified teachers under the guidance of the principal, Shri. Debendra Sarangi, M.A. M.Ed. has dedicated itself for the betterment of the school. There are 14 non-teaching staff including office assistant, drivers, helpers, peon & ayas for the smooth running of the school. School is also providing hostel facilities for the students. The performances of hostel students are highly appreciated by the guardians. Swami Atmananda Saraswati Ji Brn. Manisha Chaitanyaji, & the residential teacher Mr.P.K Biswal are looking after them with utmost care by providing excellent coaching and valuable guidance. For the inner development of the teachers Swamiji is taking Self-knowledge classes once in a week. For the moral and spiritual development of the students, Brni. Manisha Chaitanyaji Secretary-cum-

Manager of Suddhananda Vidyalaya takes SYM and chanting classes for the children and takes care of the accounts of the school.

## **MOTTO**

The motto of our school is:

**'SAA VIDYA YAA VIMUKTAYA'**

Meaning 'The education is that which liberates'.

## **SCHOOL MISSION**

We believe that all students have unique talents, whether in academics, sports, communication, technology, art, craft or drama; every child is special. Our mission is to recognize and enhance each individual's special talents and never to reject any child.

## **FACILITIES**

### **LABORATORIES**

We are fully committed to holistic development of children. We provide them with ample opportunities to do and to learn, to explore and to discover, to change and to influence. The school has spacious and well-ventilated laboratories for the departments of chemistry, physics and bio-sciences. Furnished with all the necessary instruments and accessories, the labs ensure that the practical understanding of the subject is comprehensive and complete. They are under the charge of qualified staff and Lab. Asstt. This facility has enabled the

students to perform experiments, individually, under the supervision of teachers.

### **ART ACTIVITIES**

Art gives expression to our aesthetic abilities. Today, it is important for students to be imaginative, creative and think out-of-the box. To develop these artistic skill-sets in its students, DAV offers a number of different art activities as per class level. These include:

Printing: jute, leaf, vegetable, spray and blow print  
Painting: glass painting, oil painting, marble painting, nib painting, knife painting, thumb painting and finger painting  
Craft activities like clay modeling, soft toys, pottery, tie-dye, batik, metallic imprinting, face masks, etc.

### **SPORTS, YOGA & FITNESS**

The importance of sports and games in life is highlighted by the fact that it has social; emotional as well as physical nuances. It helps people to learn to adapt to their environment. It improves social relationships with the people around us. Considering the significance of sports in life we have provides a modern infrastructure and sports equipments to our budding young sports enthusiasts. We have an operational Football Ground, Handball Ground, Hockey Ground, Kho-Kho Ground, and a vallyball Courts. Keeping in view the importance of indoor games, we

also offer the amenities of indoor games like Carom, Chess and many more.

### **COMPUTER**

Computers, which have become a modern necessity of present day life, have been inducted in the school education, so that the student may learn about it right from very beginning of his/her life.

Our school has a grand set-up of computers starting from class I to class X. The lab is fully equipped with hardware and software resources. The school has latest configuration computers and peripherals so that they can also work in multimedia environment. For hardware maintenance a competent group of engineers has been assigned the responsibilities.

A well qualified faculty always supports students to achieve positive results. The school is trying to impart computer education in such a way that after school days, the youth of India may fulfill the growing needs of Information Technology and industry to help the nation in every possible way.

## LIBRARY

The School brings a world of knowledge to the students through 15,000 volumes books in English and Hindi, on a wide range of subjects. Students are encouraged to learn and refer to these books for wider and deeper understanding of the subjects of their interest and the reading room subscribes to 40 periodicals and journals.

## TRANSPORT (Twin city)

Students can avail the school transport subject to the availability of seats. The routes of the school buses are pre - defined and the parents should consult the school transport incharge for necessary details. Bus facility is not mandatory.

## AUDIO-VISUAL ROOM

The school has a well-furnished and plush audio-visual set-up. It serves as a valuable educational aid and multimedia facility acting as a catalyst in not only creating interest but also in increasing understanding of the students in the basic concepts of various disciplines.

## TALENT SEARCH PROGRAMMES

The school provides facilities for a number of Talent Search Programmes besides the academic curriculum. These activities are meant to develop communication abilities and perceptual skills apart from proper utilisation of leisure. It also gives to the students an experience of fellowship and mutual-aid which are essential ingredients of a well balanced personality. Student participation in most of these activities is compulsory.
